

Senior Manager and New Director Development

The real strength of a business leader is in acknowledging that they too need to continually learn and develop. Learning doesn't just stop when you get to the top.

This Senior Manager and New Director Development Programme is designed to enable forward thinking employers (and their forward thinking senior managers and directors) to really understand how organisations work and what is required of them as leaders.

Benefits to the business include:

- Improved overall business performance
- Improvements in productivity
- More accountability amongst the workforce

Why not invest in a sustainable future for you and your business? Take the journey to become an Inspirational Leader.

Management Driving Licence

The CHaRM Management Driving Licence is a series of flexible learning programmes that give participants a working knowledge of management within their area of responsibility.

Participants must complete five units of training. These are made up of one mandatory unit and four optional units. The CHaRM Management Driving Licence is accredited with the Institute of Leadership and Management.

The programme is delivered flexibly:

1. A 'knowledge' webinar to provide key learning points and information regarding the chosen subject.
2. On-the-job learning activities for participants to undertake as part of their normal working arrangements, focusing on real-life management experiences.
3. A final coaching session with a member of the CHaRM training team.

Please scan above for more information about the CHaRM Management Driving Licence.
